- Education children on basic kitchen safety rules and meal preparation.
- Educate children on emergency help numbers and their geographical location.

TEACHERS TRAINING

Pedagogical skills:

- Effective lesson planning trainings.
- Strategies for managing classroom, behaviour and creating positive learning environment.
- Introducing new teaching methods and approaches, Such as Project Based Learnings or Flipped Classrooms.

WASTE TO INNOVATE

Drawing and arts and crafts are done every Saturday in the Pragati Pathshala and run by Vidheya Foundation, In which children from 1st to 4th class do drawing and from 5th to 8th class children do arts and crafts from waste material. The children use biscuits packets, plastic glasses, plastic bottles, biscuits wrappers, packing materials etc to make beautiful and artistic things. Children make items like - paper flowers, charts, paper boats, pen holders, fans, masks etc. In this way the children of Pragati Pathshala make lovely arty and crafty things using waste material and learn something new everyday.

CULTURAL PROGRAMS

In this program we celebrate the diversity of culture through dance, dram and art. We allow students to showcase their talents and learn about different traditions. Such events Foster unity, Respect and a Festive school environment.

CHILDREN DAY CELEBRATION

To honor the essence of childhood, Vidheya Foundation organized a vibrant children's day celebration the event was filled with energy, fun and creativity giving children a platform to express themselves and be celebrated. Activities included: Competition, Art Display and Talent showcases where children performed music, dance short plays. Every participant received special treats and small gifts, reinforcing the values of each child presence and potential.

CHRISTMAS CELEBRATION AT KNMA

In collaboration with the Kiran Nadar Museum of Art(KNMA), Vidheya Foundation organized a joyful and culturally enriching Christmas celebration. The event provided children with an opportunity to engage in art and craft activities themed around the holiday season. Storytelling sessions and group performances added a layer of cultural expression and creativity to the event. Children showcased their talents through songs, dance and skits, while volunteers facilitated interactive games and workshops. The celebration concluded with the distribution of gifts and festive refreshments creating a warm and memorable experience that emphasized inclusion, joy and the spirit of giving.

INDEPENDENCE DAY CELEBRATION

On August 15, 2024, Vidheya Foundation celebrated India's Independence Day with immense pride and patriotism. The event featured a flag hoisting ceremony, patriotic performances, and a community street parade involving enthusiastic participation from the children. Their colorful costumes and vibrant spirit showcased the importance of freedom and unity.

AFTER SCHOOL SUPPORT PROGRAM

The After School Support Program was designed to provide children with a safe, structure and supportive environment beyond regular school hours. Many of the children we serve come from underserved communities and face challenges in accessing academic help at home. Through this initiative we offered personalized homework assistance and academic guidance, ensuring that each child received the attention they need to improve their performance. Beyond academics, the program emphasized critical study skills such as effective note-making. Time management and goal-setting. Additionally, we conducted sessions to develop essential social skills, including communication, teamwork, empathy and conflict resolution, fostering both intellectual and emotional growth.
